

ROTTWEILERS IN NEED – SPONSORSHIP FORM

The Rottweilers In Need sponsorship Scheme has been created to help the dogs that find themselves in our care **long term**. We do sometimes have to take in dogs that require veterinary treatment, lengthy rehabilitation, or they are simply elderly.

By contributing to our sponsorship scheme, you will enable us to carry out medical treatments immediately instead of having to go through the process of raising funds - time much better spent treating them.

It will also immensely help with the dogs we have that are waiting for their forever home. It is our intention to find homes for all the dogs in our care, but unfortunately some dogs, thankfully very few, will be with us forever. These also need sponsorship.

The dogs in sponsorship scheme will be seen on our website with updates on their progress as and when required.

All this can only be achieved with a regular income which is why we set up the scheme. Providing us with the knowledge that money is coming in and it will continue to do so, making our decisions so much easier to plan.

If you feel you can and would like to contribute to this scheme, please complete this form and send it to:-

Thank You Very Much
